--- O ---

Adverting to your letter No L 12700 dated the 23rd -- June 1944 calling for certain particulars on the above subject and enquiring whether the sites now sold would not be required for any other Public purpose or for the construction of public buildings at the place, I have the honourx to state that the President of the municipality reports as follows -

1 The land in question is in the possession of the municipality, and that a bit of land measuring 18 guntas which was in the possession of a private individual was acquired by the municipality for improving the sanitation of the locality in accordance with G O No R 1557/L R 87-06-2 dated 1-8-1906 and that the possession of the entire portion is therefore vested in the municipality

P T O

(2) That sites have been disposed of leaving sufficient -- long space towards the Amildar's quarters, which itself is - situated in a low level adjoining private dwelling houses and which is therefore proposed to be shifted elsewhere
